

## Wiener Bite

Suggested Rules & Materials Need.

**Jar** of either Mustard, Mayonnaises or Ketchup to coat the Dogs.

Lots of **Wieners**

**String** to Hang the Weenies

**Ruler** to Measure the Bite Length.

**Paper Towel** for the Biters

This contest is simple as its name; the aim is for the Passenger to Bite off as much of the Hanging Coated Wienie as the operator rides under it the Hung Wiener.

1. Very easy rules to follow no, use of Hands by the Passenger to grab the weenie.
2. No stopping once the rider starts the run until while pass the weenie.

Timing, Speed and **Bite Skills** are the Key to winning this one.

Note: You may want to be clear that New Weenies to be placed after each run that has a Bite removed from a Weenie.
